

SCRUB A DUB CLEANING CLUB LTD

CLEANING DONE PROPERLY. EVERY TIME.

*Local, reliable cleaning for homes and businesses
across Spalding and South Lincolnshire.*

OUR SERVICES OVERVIEW

Three levels of clean — from regular upkeep to move-out perfection.

GENERAL CLEANING

**The clean that keeps
life feeling easier.**

Surfaces wiped, floors
vacuumed and mopped,
every room left feeling
fresh and cared for.

Kitchens and bathrooms
refreshed, taps polished,
and bins emptied for a tidy,
welcoming finish.

Skirting boards are
dusted, keeping everyday
standards sharp without
overdoing it.

Perfect for weekly or
fortnightly clients who
want their home to feel
calm, clean and relaxed.

DEEP CLEANING

**The clean that brings
everything back to life.**

Built-up grime lifted and
hidden spots restored,
from skirting boards and
doors to frames and tiles.

Kitchens detailed and
polished, grease and
residue removed for
that bright,
like-new finish.

Bathrooms deep cleaned
and limescale removed,
leaving glass and chrome
sparkling again.

Perfect for homes that
need a full reset or
seasonal refresh,
not just a tidy.

END OF TENANCY

**The clean that hands
back keys with
confidence.**

Every room reset,
cupboards cleaned inside,
skirting boards and
doors wiped,
and fixtures polished.

Kitchens degreased,
bathrooms refreshed, and
every detail perfected for
inspection.

We leave spaces spotless,
bright, and move-in ready,
so nothing's left to chance.

Perfect for landlords,
tenants, and agents who
want a professional finish
that stands out.
